Unify Ready

Technology connectivity certification

The connectivity of

SmartNode SN1K Gateway / Router and IAD prducts Series*

developed by Patton Electronics Company, Inc. has been certified at the open SIP interface of OpenScape Business V2 in accordance with the respective test report.

Patton Electronics Company, Inc. is now entitled to label the above mentioned product with the Unify Ready emblem.

* According to the declaration of conformity issued by Patton Electronics Company, Inc. the certification tests for Smart Node 4661 V6.T are applicable for the complete SmartNode SN1K Gateway / Router and IAD prducts Series of Patton Electronics Company, Inc. in respect to the interworking with OpenScape Business V2 SIP interfaces

The test was conducted conforming to DIN EN ISO 9001. This certificate is only valid in conjunction with the full test report and the notes contained therein. **Please consider that the test report only covers the functionality of the interface. The certificate and test report are not good for a statement of end-to-end functionality.**
