Law on the placing on the market, the return and the environmentally friendly disposal of electrical and electronic equipment (Electrical and Electronic Equipment Act - ElektroG)

§ 19a Information obligations of the manufacturer

Every manufacturer or, in the case of authorization according to Section 8, every authorized representative informs the end users of old devices from users other than private households about the obligation according to Section 10 paragraph 1. He also informs the end users about

1. the possibilities created by him for the return and disposal of the old devices,
2. the personal responsibility of end users with regard to the deletion of personal data on the old devices to be disposed of and
3. the meaning of the symbol according to Appendix 3.
