

# CopperLink™

**Don't go nuclear over the cost of fiber!  
Go with CopperLink.**

## Long Range Ethernet over Legacy Copper

**CopperLink helped Exelon Nuclear save \$1 million at the Limerick Nuclear Power Plant**

### **Ethernet Extension**

- Ethernet/Network connectivity over existing telephony grade copper
- Extend Ethernet beyond 328-foot limit to over 5 miles

### ***The solution for:***

- Campus networking
- M2M
- Security/Private LAN
- T1/E1 replacement
- Data backhaul
